January 15, 2019

Dear Parents & Caregivers,

I am very honored to be able to serve as Interim Assistant Superintendent/Acting Superintendent of the Green Township School District. You probably already know that I have spent my life educating children and leading school communities here in New Jersey. I retired after 34 years in education but found that I just couldn't stay away from teaching, learning and leading. I was overjoyed when I learned that I had been selected to join the Green Township school community. I had a wonderful first day, touring the school and getting to know staff and students, and am learning quickly that Green Township is a very special place.

As a parent of three children, I understand the importance of a welcoming school culture where strong collaborative partnerships develop and grow. Rest assured that during my time in the District I will do all I can to support and cultivate a nurturing environment where students receive exemplary educational experiences provided by our outstanding administration, faculty and staff.

I look forward to meeting you all and welcome your participation in upcoming parent events and other school activities. Please feel free to reach out to me in support of your child and their educational journey.

Sincerely,

Dr. Lydia E. Furnari
