## Summer Kicks

This camp focuses on skills for **four, five and six year olds**. Players must be the age of four by July 1, 2021. Experienced as well as inexperienced players are welcome.

Our main goal in our PreK & K soccer program is to deliver a safe & FUN learning environment that develops our kids physically, engages them mentally, and teaches them the joy of physical participation.

Over the course of the week, your child will be introduced to all of the rudimentary skills involved in soccer through fun game like activities. Each day will close with small sided games that will allow your child to put their newly learned skills to the test.

You are guaranteed that your child will always be in a group where the player to coach ratio will never exceed 10:1, for the best instruction available.

We are not requiring that a parent stay the duration of camp, however if you feel your child may struggle please feel free to stay and watch. **If your child does require the possibility of an epi pen, we are requiring that you stay on site for the duration of camp.**

**Cost \$80**

Cost includes instructional time, facilities, equipment, insurance, camp T-shirt and light refreshments.

Time 9:00a.m. - 11:00 a.m.

**Testimonials**

" I signed up my 4-year-old daughter for Summer Kicks in hopes that she would have fun and learn to be active outdoors, but she left Summer Kicks with so much more. She made friends whom she still talks about, learned about Soccer, but also gained the confidence to try something new and had fun doing it! It was worth the price ten-fold and she can't wait to go to Summer Kicks again this summer! " ~Alyse

"My 4-year-old-son had an absolute blast at Summer Kicks. As his first camp and being so young, I wasn't exactly sure how he would do. The coaches kept every player so engaged and were constantly switching things up, there was no chance of his losing interest. He can't wait for this summer and his little sister will be in tow as well!" ~Michael
