SUBSTITUTES NEEDED!

Stay at Home Mom/Dad looking to gently ease back into the work force?

Retired and interested in staying active and engaged?

College student home for a semester break?

WE NEED YOU!

Can only work one day a week?

Want to work multiple days a week?

Perhaps early mornings and afternoons are best?

(If this is the case our Before & Aftercare Programs need you!)

There is currently a national shortage of substitutes and Green Hills School has not escaped this dilemma. We are in need of some caring, compassionate, dependable and well-rounded people who would be willing to step up and help out with our future generations. There are several steps to make this happen, and there is a cost involved for the substitute certification and fingerprinting, but we are happy to work with you and guide you through the process. If you have 60 college credits (or are currently enrolled in college with 30 credits), are good with children and are interested in helping us through these unprecedented times, please reach out to Patti Hannemann (phannemann@greenhills.org, 973-300-3800 ext 522) so we can discuss a mutually beneficial solution.
