

Hi! Our names are Piper Torella and Mackenzie Scudieri. We are in 7th grade. We are raising money to help out our local animal shelter, Father John's Animal House. The donation day will be on June 10th (Field Day)! There is a list provided of the different supplies you can bring in! Grades K-8 can participate! For grades 6-8, you will get points for your Field Day team depending on who brings in the most supplies! For K-5, the class that brings in the most donations will win an Italian Ice Party!!! We greatly appreciate it!

### Cat and dog supplies:
