The Summer Food Service Program ensures children from low-income areas receive nutritious meals, including milk, when school is out for summer. Milk is an important summer meal component because it contains the nutrients kids need and proper nutrition leads to better school performance. For summer meal locations, text “food” to 877-877 or call 1-866-3-HUNGRY. Please visit www.fns.usda.gov/summerfoodrocks or call 609-292-4498 for more information.

Summer Is Not Fun

If You Are Hungry

Do you have a park or recreation program? If so, your program could become a sponsor or site for the Summer Food Service Program, providing nutritious, reimbursable meals to low-income children during the summer months.

For more information, please call the New Jersey Department Summer Food Service Program at 609-292-4498.

A young boy with dark hair, wearing a light-colored t-shirt and shorts, is sitting on a dark wooden park bench. He is looking down at a bright yellow ball he is holding in his hands. The background is a blurred park setting with other benches and trees. The lighting suggests it might be late afternoon or early morning.
