Coordinates nursing services for approximately 40 field trips per school year	
Screens children for the Child study Team that are younger than 5	

II. Summary of Nursing Services Required to Address Specific Health Care Needs of Individual Students (N.J.A.C. 6A:16-2.1 (b)2 (ii))

Indicated number students for which you are providing services. From the list below add or delete nursing services that are provided or not provided by your schools within district, respectively.

Services Required to Address Specific Health Care Needs of Individual Students with acute care needs, chronic illness, special health needs, procedures and administration of medications, procedures or treatments.	2019-20 charted	9/3/20-10/9/20 charted	Notes
First-Aid, splinting, Ace-wrap etc.			
Dental: tooth avulsion, caries, braces, etc.	77	0	
Health Screenings Ht., Wt., & BP yearly	412	4	
Visual Acuity screening	127 plus CST evals	4	
Auditory screening	66 plus CST evals	4	
Scoliosis screening biennially age 10-11 GRADES 4, 6, AND 8	2	0	
Diabetic Glucose testing, insulin administration 2019-20: 1 diabetic in school- BS testing at least 1 time daily. Sept 2020 - 0 diabetics in school	133	0	
Mantoux/PPD testing: read only	0	0	
Medication Administration- daily	0	0	
Medication Administration – PRN (includes Benadryl, acetaminophen, and ibuprofen)	13 doses Benadryl for mild allergic reactions 202 doses ibuprofen or acetaminophen	2 doses Benadryl for mild allergic reaction. 5 doses ibuprofen or acetaminophen	
Nebulizer/inhalers/peak flow measurements/inhalers	24 inhalers, 2 nebulizers	14 inhalers, 0 nebulizers	
Tube feedings	0	0	
Ventilator care	0	0	
Referral for vision evaluations	5	1	
Referral for hearing evaluations	0	2	

Referral for Alcohol and drug use/abuse testing		0	0	
Referral for pregnancy		0	0	
Nursing Diagnosis /Case-finding of actual or potential physical health problems		yes	yes	
Provision of nursing care for actual or potential emotional health problems		yes	yes	
Casefinding		yes	yes	
Health teaching in health office		yes	yes	
Health teaching in classroom		no	no	
Health counseling		yes	yes	
Other: Emergency medication: BENADRYL		2	0	
Other: EMS/911		0	0	
Nosebleeds		90	0	
Rashes		18	0	
Nausea/vomiting		128	7	
Concussion		3	1	
Headaches requiring medication		104	3	
Reporting did not include stomachaches, vague c/o pain, temperature checks, hunger, cold symptoms, bug bites, old injuries, or parent contact.				

III.

Emergency Management (N.J.A.C. 6A 16-2.1 (b) 2 (iii))

(Emergency management is a description of how nursing services will be provided in all emergency situations for the entire school district. Add or delete the following services provided or not provide by your school district, respectively)

A. Acute Care Management Plan:

1. Creation and maintenance of an Emergency Management Kit ("Go-box", crash cart, etc.) for utilization in Crisis, Emergency Evacuations, or and Shelter-In-Place situations. We have 2 containers of supplies. The first is a large black bag given to our school by the State of NJ for a crisis. The other container with supplies is on a cart for offsite evacuations.
2. Cardiac or Respiratory Distress Action Plan: yes
 - a) AED's (Automatic External Defibrillators) We have 4 AED's located in the building.
 - b) CPR trained school nurse (NJAC 6A:13.3): 1
 - c) Asthma Nebulizer trained nurses: 1
 - d) Universal Precautions trained staff: all staff: mandatory SAIF training
 - e) CPR trained coaches/athletic trainers/teachers/staff: Staff CPR and AED trained: 18

B. IEHP's/Chronic Care Management Plans:

1. Epinephrine Auto-Injector/ Anaphylaxis Action Plan: 20 (2019-20); 12 (as of Oct 9, 2020)
2. Asthma Action Plan: 24 (2019-20); 14 (as of Oct 9, 2020)
3. Diabetic Action Plan: 1 (2019-20); 0 (as of Oct 9, 2020)
4. Seizure Action Plan: 1 (2019-20); 1 (as of Oct 9, 2020)
5. Lock-Down Health Care Action Plan: Communication through walkie-talkie, cell phone, or computer.

Teachers with diabetic students are given glucose tabs to keep in their classrooms. Band-Aids and gloves were supplied to the staff on the first day of school. No peanuts/tree nuts or peanut/tree nut products are allowed in the classroom.

6. Shelter-In -Place Health Care Action Plan: yes

C. District Crisis Management Plan:

1. Triage Action Plans in District Crisis Management Plan

Triage Action Plan for the Nurse: In a crisis, the nurse's responsibility is to triage accident victims. The nurse assesses, she does not provide first aid. Triage is done as quickly as possible using the START Plan (Simple Triage and Rapid Treatment). Patients are organized into 4 groups. Upon coming upon an accident site, anyone who can walk must quickly be directed to another locale. They are labeled Green. The patients left are assessed and labeled. Black-dead, Red- patients that take priority for immediate transport to the hospital, and Yellow-delayed care group. When the ambulances arrive, they are directed to the Red group first. Auxiliary staff can render first aid to the yellow or red groups while waiting for the ambulances. The staff capable of rendering first aide are: Ms. Ronsini (PE teacher), Mr. Scott (PE teacher and coach), Mr. Hitzel (coach and science teacher). In non- ambulatory patients, triage is based on radial pulse and the motor component of the Glasgow Coma Scale. As

children have relatively small amounts of blood (80 ml/kg), what may seem to be a minor bleed may in effect represent a significant volume loss and severe shock.

D. Community Rescue Squad and Emergency Paramedic Service

Emergency response services are provided to our school district by local volunteer fire department/ EMS and the State Police.

V. Nursing Services and Additional Medical Services provided to Non-Public Schools

A. Non-public nursing services (NJAC 6A 6A:16-2.3 (b) through (d))

1. Non-public nursing services are provided by Sussex County Educational Services Commission. Tranquility Adventist School has an AED on the premises. The school does not currently have a stock Epi-pen or nebulizer on the premises.

VI.

Additional District Nursing Services Information:

Add any additional data that your school district requires be disclosed in this Nursing Services Plan

A. .

1. Currently, 118 of the total student enrollment is working completely remote from home. The remaining 254 students are divided into two cohorts and are present in the building 2 days a week.
