

# RtI and Summer Credit Recovery

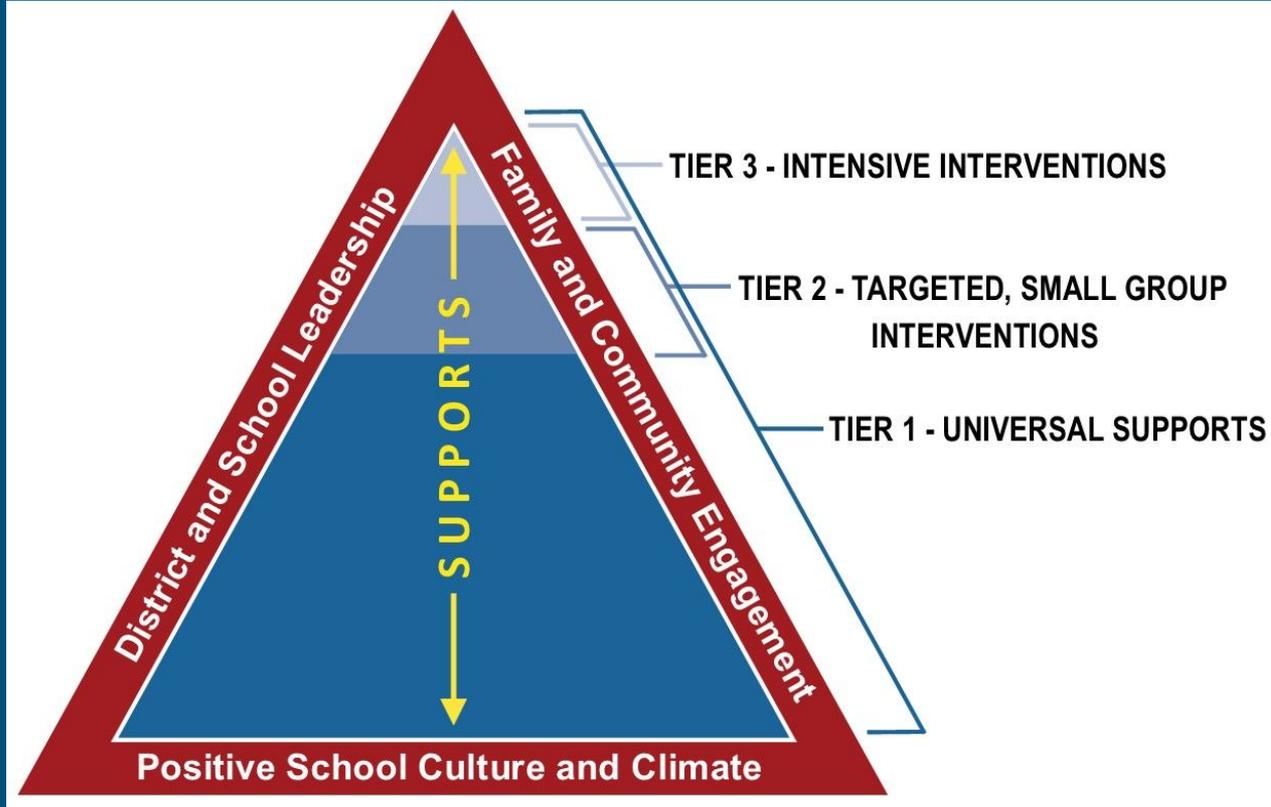

# What is Response to Intervention (RTI)?

---

- NJ Tiered System of Support: academic support and intervention
  - Tier I: Whole class instruction
  - Tier II: Supplemental supports and interventions during small group instruction in the general classroom
  - **Tier III:** Pull-out Response to Intervention (RTI) support in literacy instruction utilizing Leveled Literacy Intervention (LLI) program

# RTI is a Tiered System of Support

# Goals Looking Forward

---

- Continued consistency in scheduling of Tier 3 intervention
- Strengthen Tier 2 small group instruction
- Professional Development in using data to direct instruction
- Addressing middle school and mathematics intervention

# Summer Credit Recovery Program

---

- ★ Aligned with District Policy for promotion of students
- ★ Students who fail one or more class for the year
  - Receive “Incomplete” for the class(es)
  - Complete one week of assigned work for each class that was failed
- ★ A teacher will be assigned to the program
  - Use Google Classroom to post daily assignments
  - Monitor student progress and be available for assistance as needed
  - Assess student work
- ★ If a student fails to adequately complete the credit recovery they will not be promoted to the next grade
