## **Green Township School District Protocol for Mask Wearing at BOE Meetings**

Per EO 251, all individuals within the school must wear masks. This guidance pertains to Board of Education Meetings as well. If someone comes to the meeting without wearing a mask, this is the protocol that we will follow.

- Masks will be required at all BOE meetings.
- We will provide a mask to meeting attendees as necessary.
- If someone is unmasked, the CSA will approach the individual and calmly share that a mask is required.
- The CSA will explain that the EO has the weight of law and must be followed.
- The CSA and Board President will be the only members at the board table to address the situation verbally.
- If the individuals refuse to comply, the meeting will be put into a ten minute recess to attempt to explain the need for mask wearing to any individual refusing the mask.
- If after the ten minute recess the individuals still do not comply, the meeting will be suspended to a later date where a full remote meeting will be run.
- Our priority is to maintain order, calm, health, and safety throughout the meeting.
