Dear Parents and Guardians,

It is hard to believe that we have completed the second full month of the school year! There are so many wonderful moments of exceptional learning, artistic expression, and athletic accomplishment that have occurred in these first 40 days of the school year. In every grade level, our students are working diligently to develop and refine their skills. It is so exciting to observe throughout the classrooms and see students engaged and happy to be in school with their teachers and friends. From practicing ABCs and beginning reading in our PREK and K to creating essays and solving complex algorithms in middle school, students are being challenged with rigorous learning experiences and supported to reach their highest levels of success.

Looking ahead to next week, we are pleased to welcome our parents and guardians to the school to discuss the progress of our students. Conferences will be held from 1:00-3:00 pm and 5:00 – 8:00 pm on Monday, November 6<sup>th</sup> and from 5:00-8:00 pm on Tuesday, November 7<sup>th</sup>. Please be reminded that the students will be on an early dismissal schedule for Monday, Tuesday, and Wednesday next week to accommodate our conference schedule. Dismissal will be at 1 pm on those days. The district will be closed on Thursday, November 9<sup>th</sup> and Friday, November 10<sup>th</sup> for the annual Teacher’s Convention. Please see a few additional updates included below.

**District Wellness Committee** - The District Wellness Committee met for our first meeting of the year on Wednesday, October 18<sup>th</sup> from 6:15 pm – 7 pm. It was a well-attended meeting. Topics discussed included the school breakfast and lunch programs, the physical education and recess sessions, the importance of social and emotional supports, and the positive climate and culture initiatives in the building. As a result of the discussion and feedback at the District Wellness Committee meeting, we would like to take a deeper look into the homework and project experience that is happening for our students outside of the school day. If you are interested in serving on a committee to explore at home work and projects, please email [jcenatiempo@greenhills.org](mailto:jcenatiempo@greenhills.org).
