Dear Green Hills Families,

I want to first thank everyone who attended our Back To School Night for a wonderful evening. It was great to see the turnout and to connect with so many families. If you were unable to attend and have any questions in regards to what was covered please feel free to contact me or any of our staff members at your convenience.

During my presentation on Tuesday night I referenced the upcoming Harassment, Intimidation and Bullying (HIB) training that is scheduled for next Tuesday, September 26th. Please use the following link to [register](#) for the virtual training provided by myself and Mrs. Stiles. I also encourage you to visit the HIB section of our [school website](#) with all relevant information regarding the school policy and NJ State Law.

Though we are still in the beginning stages of the school year there are already a lot of exciting things happening at Green Hills School. Special thanks to our incredible PTA for a successful first ever Green Hills 5K Color Run and congratulations to all who participated. The Mustangs sports teams have hit the playing field with our soccer and field hockey teams representing Green Hills with pride. Tonight kicks off the Fall Book Fair brought in by the PTA. Family runs from 3:30-7:00 pm tonight with students visiting during the school day next Monday-Wednesday.

Lastly, I want to extend my appreciation for everyone once again for a successful transition to the new drop off and pick up procedures. Things are running smoothly due to the collective efforts of our staff and community. A reminder to all Preschool parents that drop off for your children begins at 8:15. We will always be there to support your children at arrival, but want to ensure they are safe entering the building separate from our older students.

I hope everyone has a wonderful weekend. Good luck to any Green Hills Mustangs and Newton Braves on the playing fields!

Sincerely,

Jon Paul Bollette
