Finally, I want to share my own enthusiasm for the upcoming school year! There is so much to look forward to for our students and families. Our Mustangs will continue to excel both in and out of the classroom, including on the field during our inaugural middle school co-ed soccer season! We will continue to recognize students who model the character traits that make Green Hills special through the Green and Gold Awards. Most importantly we will strive to make meaningful connections that build confidence and empathy, promoting the well-being of our entire community.

Enjoy the remaining days of summer! Have a relaxing Labor Day Weekend!

Sincerely,

Jon Paul Bollette
