Assistant to the B.A.

BEFORE CARE

The Green Hills School District offers a "Before Care" program. The program provides a safe and fun environment for students from 7:00 AM to 8:00 AM each school day at the Green Hills School.

The program is open to all Green Hills School Students and is available every day school is in session but not on days where there is a delayed opening of the school day.

- Students will be using the resources of the Aftercare room.
- Adults employed by the Green Township School District will supervise students.
- Students will be permitted to work on homework, but there will be no formal teaching instruction at this time.
- Food will not be offered or permitted please be sure your student has had breakfast before arriving at the school.
- The school nurse will not be available for this program. Please do not send students who are not feeling well.
- Students can be dropped off at the Aftercare door in the rear parking lot from 7:00 AM to 7:50 AM. After 7:50 AM, students may be dropped off in the front of the building.
- **NO STUDENT SHOULD BE DROPPED OFF AT THE FRONT DOORS PRIOR TO 7:50 AM.** There is no supervision at the front doors until 7:50 AM.
- Parents/Guardians will be automatically charged if students are dropped off in the front lobby before 7:50 AM and sent to Before care.
- Pre registration is necessary. You may register or cancel registration at any time throughout the year. There is a non-refundable \$10.00 registration fee. This fee will be waived for parents/guardians who have already paid the Aftercare registration fee, however those parents still need to complete the Before Care registration form.
- The monthly fee for Before Care is \$40.00 per month, and \$30.00 per month for the second child. Payments must be made in advance of the month the student will attend. There will not be a part time rate. Full payment entitles you to use the program whenever you need the service.

Thank you for your support.
