Dr. Furnari,

Please accept this letter as my resignation from my position as a teacher's aide for the 2019-2020 school year. I will begin student teaching in the fall, so I will not be able to work as an aide. I have thoroughly enjoyed my time as an aide and am grateful for the experience. I will gladly work as a substitute on the days I am available next year.

Sincerely,

A handwritten signature in cursive script that reads "Karen Smith".
