

Let's Celebrate 100 Days of School & Make a Difference!

 ★ The Green Township PTA is excited to help support The Weekend Bag Program, Inc. ★
 ★ We are challenging each grade to collectively donate 100 of the items below! ★
 ★*****

The Weekend bag is an initiative created and run by Isobel Costello, who was attended Green Hills and is now a Senior at Newton High School. Four years ago Isobel was a Freshman and heard some of her peers talking about going home and not having enough food or hygiene products. Isobel fundraised, to get donations to help fill “Weekend Bags”, full of food and much needed hygiene items, for these students. Isobel fills the bags needed and delivers them to her school to be distributed to the students participating in this program. The students identity is anonymous. This program has grown so much and she is now helping her peers in 6 different Sussex County schools, almost 100 kids each week! As Isobel says “Being a kid, doesn’t hold you back from doing great things, and changing your community and world for the better.” For more information, please visit <https://www.weekendbagprogram.com/> <https://www.weekendbagprogram.com/>

<u>Kindergarten</u> Bar Soap	<u>1st Grade</u> Pasta Noodles	<u>2nd Grade</u> Canned Tuna or Chicken	<u>3rd Grade</u> Box Cereal	<u>4th Grade</u> Canned Soup
