- The above calendar reflects 180 student school days with no allowance for emergency closing days. Each school district will determine if emergency days are to be added to the end of the school year or subtracted from Winter and/or Spring Recess.
- Private and parochial school routes are bid per the calendars submitted by the respective schools. Changes to the calendar will increase the cost of the contract and may drive costs over the permitted state per pupil cost amount and thus place such transportation in jeopardy. Private and parochial schools should closely coordinate early dismissal days with the school districts responsible for transportation. All emergency closing due to weather should also be in concert with the districts providing transportation.
- Testing dates for 2020-2021 not yet determined by NJ DOE and NJSLA.
